

Company Overview

Mirror Image[®] Internet, Inc. combines a patented global network with results-driven content delivery solutions that help customers deploy, monitor and refine the online strategies. Our solutions include Content Delivery, Streaming Media, Web Computing and Reporting tools that offer customers a smarter way to create more engaging Web experiences for users worldwide.

As a secure and managed high-speed layer on top of the Internet, the Mirror Image CAP network powers innovative Content Delivery, Streaming Media, Web Computing and Reporting solutions that bypass Internet congestion to intelligently aggregate, store and deliver content and applications to millions of users worldwide.

With an enterprise-class platform combining an optimal mix of connectivity, processing power and storage, Mirror Image gives retail, advertising, media and government organizations the control they need to deliver the Right Content to the Right Customer at the Right Time.

Mirror Image is a subsidiary of Xcelera Inc. and has been delivering Internet infrastructure services since 1997. Mirror Image increases revenue opportunities, reduces infrastructure costs and improves

customer satisfaction for Global 2000 enterprises and e-Business worldwide through its corporate headquarters in Tewksbury, Massachusetts and a subsidiary in London, UK.

Mirror Image's Global Network

Mirror Image's global Content Access Point[®] (CAP) network rises above the Internet to provide customers with a unique platform for content and application delivery. With an optimal mix of connectivity, processing power and storage - at orders of magnitude above the industry norm - our advanced platform is strategically deployed at network peering points in North America, Europe and Asia with the highest concentration of Web traffic, convergence and users.

Mirror Image Customers

Mirror Image customers include many Fortune 500 companies in the advertising, retail, news, media, entertainment and government markets. Our customers include: 24/7, AdECN, Pointroll, X+1, The New York Times, WHDH (Boston NBC Television Affiliate), WSVN (Miami FOX Television Affiliate), Home Shopping Network, Oakley, Center for Disease Control, the National Oceanic Atmospheric Administration, and hundreds more.
